If your company used Airfreight Shipping Services directly from one or more of the Defendants, you could be entitled to a substantial payment from the Air Cargo 5 Settlement.

In re Air Cargo Shipping Services Antitrust Litigation, MDL No. 1775, Master File 06-MD-1775 (JG) (VVP)

Settlement Fund: \$197,500,000 (this is the Fifth Settlement Fund under the Air Cargo Litigation)
(Litigation continues against the remaining Defendants)

Period of Claim: January 1, 2000 through September 30, 2006

Filing Deadline: September 9, 2016

Summary: The lawsuit claims that the Defendants conspired to fix, raise, maintain, or stabilize prices of Airfreight Shipping Services by, among other things, coordinating surcharges (such as fuel and security surcharges) and by agreeing to eliminate or prevent discounting of surcharges. The lawsuit claims that as a result, purchasers paid more for Airfreight Shipping Services than they otherwise would have paid.

Eligibility: To be a member of the Settlement Class, you must have purchased airfreight shipping services directly from one or more of the Defendants listed below for shipments to, from, or within the United States during the period January 1, 2000 through September 11, 2006. Excluded from the Settlement Class are Defendants, their respective parents, employees, subsidiaries, and affiliates, and all government entities.
