The Settlement is for the benefit of direct egg purchasers only, that is, entities or individuals in the United States who bought eggs directly from egg producers, and not those who purchased eggs indirectly such as from wholesalers, distributors, or retailers. To be eligible to share in the Settlement, you must have purchased eggs, including Shell Eggs and Egg Products (the whole or any part of eggs that have been removed from their shells and may be processed, with or without additives, into dried, frozen or liquid forms), produced from caged birds in the United States directly from any United States producer, including any defendant, during the Class Period from January 1, 2000 through December 19, 2014.
